Principal Message

Mr. A. Lourdusamy Antony

I am really honoured and feel very privileged to function as the Principal of St. Joseph's Residential School Sriperumbudur Chennai. Let me take this opportunity to thank the Management, DFT group of institutions for giving me the opportunity to serve the community here in.

We, at St. Joseph's Residential School Sriperumbudur Chennai, provide sufficient opportunities to each student to understand and discover themselves and to face and overcome challenges presented to them to make school life fulfilling and complete. We take pride in helping them grow and develop into sensitive and responsible well-rounded personalities of the next generation.

Our life is a journey. We learn and experience something new every day. We not only impart in-depth knowledge of a particular subject but at the same time also ensure competent and constant growth of the students. Problems exist in everyone's life but we frequently remind the students not to be afraid of failure but strive hard to achieve success for excellence and good leadership. It is possible when we build up good leadership. It is possible when we build up good attitude and conduct. We also learn to become disciplined to see things in proper perspective. There are ups and downs in life and we need to accept the challenges and win it at all costs. Physical work and games enable the students to cope up to be fit and healthy persons. If you work hard then goals are achieved easily. Consequently, our struggles will vanish within no time and our achievement will be remembered.

Teamwork is the hallmark of **SJRS** - Sriperumbudur Chennai. I appreciate the efforts put in by our wonderful team of students, teachers and the unstinting support of the Management for making this a truly successful monthly News Letter for all of us. In this pursuit of excellence, I appreciate our parent fraternity for supporting the school in every aspect.

Looking forward to another rewarding a new month news letter as our students journey towards making and taking their places in the world. I hope and pray students of our school will scale great heights and keep the **SJRS** - flag flying high wherever they tread.

It is hot.

The sky is blue.

A little cloud comes

More clouds come.

They bring rain.

Sing and dance.

The air is sweet from their dear chips,
The land and flowers nod,
For their precious feathers humbly bear
