DAY & RESIDENTIAL SCHOOL - CBSE

NEWS LETTER

AUGUST

SRIPERUMBUDUR

2025

Principal Message

Mr. LOURDU SAMY .M

Dear Students, Parents and Staff,

Greetings from SJRS!

The month of August is always special as it reminds us of the values of freedom, unity, and responsibility. With Independence Day celebrations, our children had the opportunity to honour the sacrifices of our great leaders and to reflect on their role as responsible citizens of tomorrow.

This month also witnessed active participation from our students in various academic, cultural, and sports activities. Their enthusiasm and achievements bring immense pride to our school community. We sincerely appreciate the constant support of parents, which helps us nurture the talents and holistic growth of our students.

As we move ahead, let us continue to impart in our children the values of discipline, respect, and hard work. Together, we can help them dream big and achieve excellence in all aspects of life.

Wishing everyone a joyful and enriching month ahead!

Regards,

Principal
SJRS

Best Wishes !!!
