

St. JOSEPH'S

DAY & RESIDENTIAL SCHOOL - CBSE

NEWS LETTER

JULY

SRIPERUMBUDUR

2025

Principal Message

Mr. LOURDU SAMY .M

Dear Students, Parents, and Staff,

As we step into the month of July, I am filled with a sense of renewed energy and hope. July marks an important phase in our academic calendar, a time of settling into routines, reigniting the spirit of learning, and embracing both challenges and opportunities. With the first half of the year behind us, now is the perfect moment to reflect on our progress and set new goals. I encourage all students to stay focused, manage their time wisely, and actively participate in both academics and co-curricular activities. Consistent effort, no matter how small, always leads to meaningful growth.

To our parents and guardians, thank you for your continued support and collaboration. Your involvement plays a vital role in your child's success. And to our teachers and staff, your dedication is the heart of our school's progress.

Let's continue to work together as one school community - striving for excellence, embracing values, and making every day count.

Wishing you all a productive and inspiring July.

Regards,

Principal
SJRS

Best Wishes !!!
