Principal Message

Mr. LOURDU SAMY .M

Dear Students, Parents, and Staff,

Welcome to the vibrant month of June!

As we step into a new academic session, it brings with it fresh beginnings, renewed enthusiasm, and countless opportunities to learn and grow.

I encourage each one of you to set clear goals for yourself. Remember, success is not about being the best; it's about always getting better than you were yesterday. Stay disciplined, stay curious, and never hesitate to ask questions – that's how learning becomes meaningful.

Let's also be mindful of our surroundings. Take care of your health, maintain hygiene, and show kindness to one another. Together, let's build a school environment filled with respect, responsibility, and resilience.

Wishing you all a joyful and productive month ahead!

Regards,

Principal
