Principal Message

Mr. LOURDU SAMY .M

Dear Students, Parents and Staff,

Greetings from SJRS!

We began the New Year with great hope, renewed resolutions, and strong confidence for the months ahead. I am happy to share that our students have actively participated in various curricular and co-curricular activities with enthusiasm and dedication.

We celebrated Pongal in a grand manner along with our students, teachers and parents. The celebration reflected our rich culture, unity and joyful spirit as a school community.

Our board exam students are sincerely preparing for their upcoming examinations. They have been actively engaged in board practical examinations, regular academic sessions and model test series to strengthen their performance and confidence.

I am also proud to announce that our senior grade students achieved remarkable success by winning **Football** and **Basketball** events conducted at an outside college. Their achievement brings pride to our institution.

The Academic Annual Plan Orientation was successfully conducted for future **Grade 10** and **Grade 12** parents to ensure clarity and preparedness for the coming academic year. In addition, all regular calendar activities have been carried out smoothly with active student participation.

Let us continue this journey with determination and commitment to excellence.

With best wishes,

Principal

Best Wishes !!!
